

Wouldn't you like to get rid of your worries?

(You may need more than a vacation!)

## You need more than time off!

You can take off to the Bahamas but you're still going to have the same pressures, problems and worries when you get back.

Easter is a chance to change everything.

If you're not a particularly religious person ...

If you don't really feel that connected to God ...

If you haven't been to church since you were a kid ...

If you feel you've been drifting spiritually ...

Congratulations! This is your holiday.

Jesus once said, *"I'm here inviting outsiders, not insiders - an invitation to a changed life, changed inside and out."* You can exchange your pressure for God's peace! It's a great time to get back on your spiritual journey. Join hundreds of your neighbors and friends and be my special guest at Heartland Church this Easter Sunday. \*Luke 5:32 (Mat)

On the journey with you,

Darryn Scheske
